Templateaudit-report-v1 · version 1.0.0

Synthetic demonstration — all scores and findings are invented test fixtures. No audit of example.com has been performed.

Summary & Scores

This document contains invented demonstration data to test a fixed PDF report template. No audit of example.com has been performed.

Scores are out of 100.

Findings Overview

ID	Severity	Title
DEMO-001	medium	Example image sizing issue
DEMO-002	low	Example long-link wrapping

Finding Details & Recommendations

DEMO-001 · Example image sizing issue

medium

EVIDENCE

Synthetic example: an image component has no reserved layout dimensions. This is not a measured finding.

RECOMMENDATION

Demonstrate a recommendation block for defining explicit dimensions and reviewing layout movement.

DEMO-002 · Example long-link wrapping low

EVIDENCE

Display-only example URL: <https://example.com/guides/a-long-demonstration-path-for-testing-pdf-line-wrapping>

RECOMMENDATION

Keep the complete URL readable and verify that the report remains searchable.
